

Galapagos Islands - Ecuador

10 night itinerary

The following is a daily plan for your 10 night cruise as per our operating permit in the Galapagos Islands. This itinerary may change without notice. For more information on the wildlife that can be seen in each area please refer to our general Galapagos itinerary.

Day 1: Airport arrival, transfer to Galapagos Master and lunch, followed by an afternoon check out dive. Carried out in a sheltered bay in an excellent shallow spot, at a max depth of 9m (30ft), this will allow you to check your dive gear but also become acquainted with some of the local marine life.

Day 2: 2 morning dives at Punta Carrion followed by an afternoon land tour of North Seymour Island before cruising north during the evening.

Days 3 & 4: Spent at Darwin Island

Days 5 & 6: Spent at Wolf Island, followed by a cruise South during the evening.

Day 7: The morning will be spent at Roca Redonda with the afternoon at Punta Vicente Roca.

Day 8: Diving all day at Cabo Douglas.

Day 9: Diving all day at Cabo Marshall.

Day 10: We will dive at Cousin Rock and Los Gemelos followed by a land visit to see giant land tortoises on Santa Cruz.

Day 11: In the morning, upon disembarkation, there will be a visit to the Interpretation Centre on San Cristóbal Island followed by transfer to the airport or local hotel.

Should you have any questions or queries concerning the dive sites or whether this itinerary is suitable for your experience level, please contact our reservations team info@masterliveboards.com who will be pleased to assist and advise you.
